Deepak
Dear Mr. Kaushik, Mr. Ruparell and Mr. Chotai:

Thank you for your correspondence.

I was delighted to participate in your organization's reception at Toronto's Ricoh Coliseum on April 15. This event was a wonderful opportunity to introduce Narendra Modi, Prime Minister of India, to our vibrant Indo-Canadian community in the greater Toronto area. It also allowed me to pay tribute to your dynamic community and its invaluable contributions to our country. Please know that I appreciated the efforts of the National Alliance of Indo-Canadians in organizing this event.

I was very pleased to host Prime Minister Modi during his visit to Canada. This was a highly productive visit, which included discussions on bilateral initiatives and commercial agreements. I am encouraged by the scope and volume of these initiatives, as they will help to further cement the strong bonds that unite Canada and India.

Once again, thank you for taking the time to write.

Sincerely,

The Rt. Hon. Stephen Harper, P.C., M.P.
Prime Minister of Canada
